

GROWING TOGETHER: A JOURNEY OF GROWTH FOR PARENTS AND CHILDREN

The pathway, designed for parents and babies aged 0 to 6 months, brings together the expertise of two professionals:

- **Psychological observation of development**
Focused on emotional, relational, and affective aspects.
- **Neuropsychomotor observation**
Dedicated to motor, sensory, and relational development.

Two separate appointments, with different professionals, designed to complement each other and offer a complete, harmonious view of your child's development.

The one-time promotional price of the package is €100.00

Goal: to reassure, guide, and support parents with practical, personalized guidance, helping you accompany your child's growth with calm and awareness.
